

An Unexpected Hiccup

Caught in a storm and looking for help, Murdo knocks on the door of a dark, old house. The family inside seems to be expecting him.

A bizarre quintet of siblings is waiting for their father to die and Murdo is somehow involved...

Brilliantly threading the fine line between surreal and sinister, *An Unexpected Hiccup* is a chilling tale of comic misunderstandings and dangerous eccentricities presented by Lung Ha Theatre Company in collaboration with Plutôt la Vie.
